NCM Ambassador

Freddie, our club President has issued a challenge to all GDCC members. It would be great to get 100% of our members to join the National Corvette Museum.

We all love our cars and by becoming a member of the museum you are supporting the organization that preserves the legacy and the history of the Corvette for all of us and generations to come.

Becoming a member is easy. Depending on the level you choose, it doesn't have to be expensive and all memberships are tax deductible.

GDCC has been a museum member for several years and in doing so, all GDCC members joining in 2014 will get a 25% discount off their membership cost. What-a-deal!! I encourage all of you non-members to step up to the challenge and support the NCM. Join today! Membership options are shown on the following pages. Applications are available by clicking here. Or call Stephanie, membership person, at: (800) 538-3883

  - Attending members were receptive to a cruise in 2015. An e-mail will be sent to all members asking for interest in cruising.
